

# ARTISAN BREAD SELECTIONS

## About Lantmannen:

Lantmannen Unibake offers you all the advantages of made from scratch product without any of the hassle. Through Lantmannen, we carry a wide assortment of Eurobake par baked artisan bread and Shulstad pre-proofed freezer to oven Danish pastries and croissants.

Eurobake's artisan breads are created with traditional old world flavors, combined with high quality ingredients, long fermentation times, cold proofing and no preservatives.

## About Rotella:

Through our Rotella Bread line, we are able to provide you with the highest quality Italian loaves and buns for your dining menu. Fresh sandwiches, French toast, croutons and table breads alike, our selection is sure to meet the needs of your operation anywhere from robust flavors to the traditional Rye.

## About MultiGrain:

MultiGrains has evolved into a state of the art baking facility with both national and international distribution while achieving multiple levels of certification for sanitation, safety and procedures. At MultiGrains, they aspire everyday to continue to bring Signature Artisan and Gourmet breads to your dinner table with flavor profiles and textures that please the pallet, enhance the meal and bring a think of beauty to your dining table.
